Dear Mr. Sanchez:

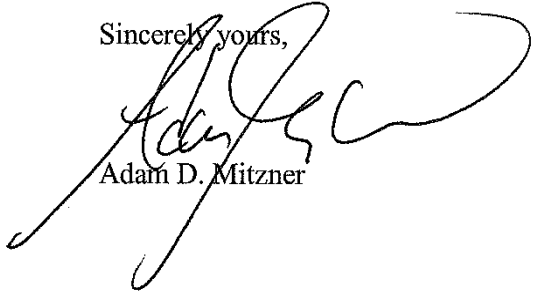

We represent Media Planning Group USA LLC ("MPG").

Please be advised that MPG views the recent unauthorized entry into MPG's New York office on August 20 by you and three other individuals, who are unknown to MPG, as a very serious matter. Among other things, many MPG employees found the incident deeply upsetting, and expressed alarm and concern regarding their personal safety in the office environment.

As a result, please be advised:

- MPG has filed a formal criminal complaint with the New York City Police Department regarding the incident.
- We hereby formally advise you that should you, in the future, attempt to gain unauthorized access to any of MPG's premises; the police will be immediately notified.

Sincerely yours,

Adam D. Mitzner
