Re: D0030320339 David Egilman - William Kelly Stewart

Dear Mr. Egilman:

After considering all of the evidence and testimony presented in the above-referenced complaint, an investigatory panel of the District 6A Grievance Committee determined there is Just Cause to believe professional misconduct was committed. The decision was reached by a vote of 4 to 1, with none abstaining.

The Respondent has accepted an Agreed Order of Referral for Rehabilitation. The panel's action in this matter is not available for public disclosure.

Thank you for bringing this matter to our attention.

Sincerely,

A handwritten signature in cursive script, appearing to read "William R. Garrett".
