Presentation

Operator

Ladies and gentlemen, thank you for standing by and welcome to the Analogic Tech second quarter 2008 earnings conference call. During today's presentation, all parties will be in listen-only mode. Following today's presentation, the conference will be opened for questions. (Operator instructions)

As a reminder this conference is being recorded today, Monday July 28th, 2008. I'd like to turn the conference over to Lisa Laukkanen with the Blueshirt Group. Please go ahead.

Lisa Laukkanen

Good afternoon and thank you for joining us on today's conference call to discuss the AnalogicTech's second quarter 2008 results. This call is being broadcast live over the web and can be accessed for 90 days in the investor relation section of the AnalogicTech's website at analogictech.com.

On today's call are Richard Williams, President, Chief Executive Officer, and Chief Technical Officer; and Brian McDonald, VP of Finance and Chief Financial Officer. After the market close today, AnalogicTech issued a press release discussing the results for its second quarter, ended June 30, 2008. The press release is accessible online at the company's website or you can call the Blueshirt Group at 415-217-4961 and we will e-mail a copy to you.

We would like to remind you that during the course of this conference call, Analogic Tech's management team may make projections or other forward-looking statements regarding future events or the future financial performance of the company. We wish to caution you that such statements are simply prediction and actual events or results may differ materially. We refer you to the documents of the company files from time to time with the Securities and Exchange Commission, specifically the company's most recent Form 10-Q and 10-K. These documents identify important factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements.

With that said, I would like to now turn the call over to AnalogicTech's President, CEO and CTO, Richard Williams.

Richard Williams

Thank you for joining us today, as AnalogicTech reports its second quarter 2008 results. During the call, I will provide a brief recap of the financial results and business highlights for the quarter, I will then turn the call over to Brian for detailed financial review of the second quarter followed by guidance for the third quarter. We will then open up the call to your questions.
