## Question-and-Answer Session

---

### Operator

(Operator Instructions). We'll go to our first question from [Danielle Seth]. Please go ahead.

### Unidentified Analyst

Thank you. I was wondering if the recovery of flood cost could be securitized and segregated from the overall case or it is too late and not being considered.

### Pat Kampling

This is Pat. No, we are not planning to securitize the costs from the Iowa floods from last summer. The amounts of these costs, as you are well aware, some of them are covered by the insurance proceeds and some of them are being requested in the current rate case.

### Operator

(Operator Instructions). Mr. Freeman, there are no further questions at this time.

### Jamie Freeman

With no more questions, this concludes our call. A replay will be available through May 7, 2009 at 888-203-1112 for US and Canada, or 719-457-0820 for international. Callers should reference conference ID number 8241179.

In addition, an archive of the conference call and a script of prepared remarks made on the call will be available on the Investors section of the company's website later today. Thank you for your continued support of Alliant Energy and feel free to contact me with any follow-up questions.
