

Bosses: A Field Guide

By Geoffrey James

published on BNET.com 3/07/2007

The office is a jungle. That's why intrepid employees need a **field guide** to help them spot and identify the most powerful creature in the workplace: the boss. Here are ten common examples of the species, along with care and feeding tips should you encounter a manager in the wild.

A horizontal line with a series of small, dark, circular rings representing a spiral binding.
